INSTITUTIONAL INNOVATIONAL CELL, IGIDS.

Date: 22-06-2023.

VENUE: IIC HALL, CENTRAL LIBRARY, IGIDS.

The third meeting of the IIC, IGIDS was held on 22-06-2023 at IIC room, central library, IGIDS. The Principal, Vice-principal, Dean and other members of the IIC were present during the meeting. The chairperson of the IIC, IGIDS welcomed and briefed the members regarding the progress and activities of the IIC. The principal, vice-principal and the Dean spoke about the different ways of improving the activities of the IIC and also about their personal experiences. The members provided with valuable inputs and had a very good interactive session. A few new concepts and ideas were discussed during the meeting. It was decided to conduct a program for the students and faculty to create awareness about the need for research and innovation by inviting a resource person from outside the college and to make them share their thoughts and experiences. It was decided that the IIC members would meet again after the training program at KUHS on 27-06-2023 which the chairperson of the IIC, IGIDS would be attending. It was also decided to report the progress of matters discussed during the session at the next meeting. Altogether the meeting was fruitful and ended on a very positive note.
